Advanced Dungeons & Dragons 2nd Edition

Dregoth Ascending

By Kevin Melka

The Day of Light is upon us!

Dregoth, the undead Dragon King, has travelled the planes for millennia. On his journeys, he learned of the existence of gods – and now he intends to become one. If he is not stopped, Dregoth will become the first true deity on Athas, and any who do not bow before him will face the Dread King's fury. Heroes must now rise and stand against the deathless sorcerer-king... before he changes the face of Athas forever!

Dregoth Ascending is an epic DARK SUN adventure that details the greatest threat to Athas since the end of the *Prism Pentad*. Journey from the embattled city of Raam to the Pristine Tower itself and face the mightiest foe under the crimson sun – Dregoth, the Dread King! This fully illustrated game adventure features over a dozen maps, multiple possible endings, and three new Monstrous Compendium sheets! Do your characters have what it takes to prevent the Ascension?

Dregoth Ascending is suitable for 5 to 7 characters of 12th to 16th levels. It follows on from *Dregoth's Revenge*, presented in the *City by the Silt Sea* boxed set, but it is not necessary to have played that adventure in order to enjoy *Dregoth Ascending*.
